

## Veteran and Military Affairs Advising Worksheet

### Please read the following information:

This form is to be filled out by students receiving VA benefits for **EVERY** term they attend at the University of Alabama (i.e.. if you are taking classes over the Full Summer and classes in Second Summer you will need two separate Advising Forms).

Please **Type** this form. After you have typed it, please print it and bring to your Advisor. Have your Advisor **circle**, **initial**, and **sign** this form.

Please attach your **Student Schedule** to this form so that we may confirm your courses.

Please turn in all paperwork **within the first week** of class to ensure timely processing from the VA.

If you add a course that is not on your Advising Form, you will be required to complete a new Advising Form containing all courses for that Term.

Should you withdraw from a course after the drop date, you may be responsible for any course or tuition fees.

To have **minor** courses approved on the Advising Form, a minor must be required for your degree.

Failure to complete these and other requirements listed in the Statement of Understanding may result in dismissal of paperwork or processing delays.

**Alabama law separates forgery crimes into four different degrees. Forgery in the first degree is a Class B felony, Forgery second degree is a Class C felony, Forgery in the third degree is Class D felony, and forgery in the fourth degree is a Class A misdemeanor.**
